

Santos Dumont Investment Manager

Our Experience

The Santos Dumont investment advisory panel sustains senior level relationships through its extensive network of contacts with banks and investors, sourcing and restructuring equity and debt for leased assets.

Our international cross-border experience in arranging direct order, purchase, sale and leaseback of aircraft and portfolio transactions provides our clients with deep knowledge and transaction capability.

Key Product Offering

The Investment Manager product provides investors with the analytical tools and sectoral expertise to allow both new entrants and experienced investors to navigate the aviation landscape. We align entry and exit strategies with investor risk profiles to achieve the required risk adjusted returns, mitigate downside risk and make the most fiscally prudent investment decisions.
